Dane County Board of Adjustment

Attn: Hans Hilbert

On January 7, 2025 the Albion Town Board unanimously approved the request from Windy Hill Family Farm, LLC Appeal# 3731 for a variance from minimum required setback to a road. The Town Board and Public Works Director has no problem with the rebuilding of the barn. Since this is a Town Road the Board feels this will not impact plowing or any maintenance of the right-of-way.

Thank you for your consideration in this matter.

The Albion Town Board

Julie Hanewall, Clerk/Treasurer
