21           **7.18 THE PUBLIC WORKS & TRANSPORTATION COMMITTEE. (intro.)** The public  
22           works & transportation committee shall have the duty and responsibility to:

23           **(1)** Act as the supervisory committee for the department of public works, highway and  
24           transportation, department of waste and renewables, the Dane County Parking Ramp,  
25           and the Alliant Energy Center of Dane County.

26           ~~**(5)** Receive recommendations from the solid waste and recycling commission on all~~  
27           ~~matters of policy relating to solid waste in Dane County.~~

28  
29           ARTICLE 4. Section 25.12(1)(e)3. is amended to read as follows:

30           **(e)** *Service contract* means any contract with the County, for the provision of services  
31           to any County department or agency. The purchasing agent shall review each bid  
32           specification or request for proposals and make a determination as to whether the  
33           proposed contract will constitute a service contract. *Service contract* includes  
34           subcontracts but does not include any contract, whether or not a subcontract, which:

35           **3.** Is a ~~department of~~ public works contract regulated under ch. 40;

36  
37           ARTICLE 5. Section 25.52 is amended to read as follows:

38           **25.52 PUBLIC WORKS CONTRACTS.** The public works director and the director of  
39           waste and renewables is-are authorized to make purchases directly related to public  
40           works construction in accordance with chapter 40 and s. 59.52(29), Wis. Stats. The  
41           director of public works or the director of waste and renewables may, at his or her  
42           discretion, utilize the services of the purchasing division for any other or all goods and  
43           services related to public works construction which are required by the public works  
44           department or waste and renewables department. Purchases not directly related to  
45           public works construction shall be made through the Controller in accordance with this  
46           ordinance.

49 ARTICLE 6. Section 41.04(4), (5) and (8) are amended to read as follows:

50 | **(4)** *Department* shall mean the department of ~~public works, highway and~~  
51 | ~~transportation~~ waste and renewables.

52 | **(5)** *Director* shall mean the director of the department of ~~public works, highway and~~  
53 | ~~transportation~~ waste and renewables.

54 | **(8)** *Sanitary landfill* shall mean a type of land disposal operation involving the disposal  
55 | of solid waste on land without creating nuisances or hazards to public health or safety,  
56 | by utilizing the principles of engineering to confine the solid waste to the smallest  
57 | practical area, to reduce it to the smallest practical volume and to cover it with a layer of  
58 | earth or other Wisconsin Department of Natural Resources approved cover material at  
59 | the conclusion of each day's operation or at such more frequent intervals as may be  
60 | necessary.

61

62 ARTICLE 7. Section 41.05(2) is amended to read as follows:

63 | **(2)** The director of the department of ~~public works~~ waste and renewables shall exercise  
64 | day to day supervision of the program and the procedures established to effect the  
65 | program's purposes and goals.

66

67 ARTICLE 8. Section 41.99(5) is amended to read as follows:

68 | **(5)** In addition to the imposition of forfeitures, the ~~public works~~ director of waste and  
69 | renewables may, in the interests of preserving Dane County's ability to handle solid  
70 | wastes, refuse entry to any Dane County landfill to any person, firm or municipality who  
71 | or which violates any provision of this ordinance. Any person, firm or municipality  
72 | affected may appeal the decision of the ~~public works~~ director of waste and renewables  
73 | to the committee whose decision shall be final.

74

75 | *[EXPLANATION: This amendment conforms the county ordinance to reflect the creation of the*  
76 | *department of waste and renewables.]*
