Cindy Grady reported that program income for 2026 is estimated at \$150,000 in CDBG funding and \$50,000 in HOME funding, based on 2025 numbers, and explained that we are allowed to use that Program Income for 2026 CDBG/HOME programs.

Based on these calculations and the contingencies set forth and voted on by this Commission, we included 15% of the estimated CDBG program income into Public Services – this funded Focused Interruption at their minimum request, and Legal Action of Wisconsin at slightly less than their minimum requested. The remainder of the CDBG program income went to Project Home Major Home Repair program and Access Community Health Center, per the contingencies. The remainder of the HOME program income went to Project Home Major Home Repair program.
