2020 RES-046

**ACCEPTING ADDITIONAL OLDER AMERICAN ACT FUNDS FROM
THE STATE OF WISCONSIN DEPARTMENT OF HEALTH SERVICES
DCDHS – ACS DIVISION**

The Wisconsin Department of Health Services is making a modification to its Older Americans Act funding to Dane County. This modification is coming in response to the Family First Coronavirus Response Act and provides emergency funding for nutrition to older adults.

The Dane County Department of Human Services (DCDHS) Adult Community Services Division (ACS) uses a portion of Older Americans Act funding to support congregate and home delivered meals provided by the twelve senior focal points throughout Dane County. This is done in collaboration with municipalities throughout the county and with the support of donations. During the current public health emergency, congregate meal sites for older adults have been closed while the distribution of home delivered meals has significantly increased. Senior focal points, some working with local restaurants, have also developed drive-up meals that are available for older adults. While reporting on the number of meals being served to older adults during this period is not yet due to DCDHS, a preliminary estimate from one of the caterers is that demand for all meals has increased by approximately 25%. The funds from this modification will help defray the expenses associated with this increased demand.
