APPLICANT: CHRIS HENDRICKSON

LOCATION: 7595 W MINERAL POINT ROAD, SECTION 29, TOWN OF MIDDLETON

CUP DESCRIPTION: seasonal outdoor storage and display of shrubs

**A motion was made by WEGLEITNER, seconded by PETERS, that this Conditional Use Permit be approved with conditions. The motion carried by the following vote: 3-0.**

- 1. Any conditions required for specific uses listed under s. 10.103.**
- 2. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and phasing plan.**
- 3. New and existing buildings proposed to house a conditional use must be constructed and maintained to meet the current requirements of the applicable sections of the Wisconsin Commercial Building Code or Uniform Dwelling Code.**
- 4. The applicant shall apply for, receive and maintain all other legally required and applicable local, county, state and federal permits. Copies of approved permits or other evidence of compliance will be provided to the zoning administrator upon request.**
- 5. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request. Storage of all hazardous materials, including fuel and chemicals must be done in accordance as detailed in the site and operations plan and must be compliant with applicable local, state, and/or federal standards. This includes the spill containment, emergency shutoffs, and security fencing / indoor storage proposed for fuel tanks.**
- 6. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46, Dane County Code.**
- 7. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.**
- 8. Off-street parking must be provided, consistent with s. 10.102(8).**
- 9. If the Dane County Highway, Transportation and Public Works Department or the town engineer determine that road intersection improvements are necessary to safely accommodate the conditional use, the cost of such improvements shall be born by the landowner. Costs born by the landowner shall be proportional to the incremental increase in traffic associated with the proposed conditional use.**
- 10. The Zoning Administrator or designee may enter the premises of the operation in order to inspect those premises and to ascertain compliance with these conditions or to investigate an alleged violation. Zoning staff conducting inspections or investigations will comply with any applicable workplace safety rules or standards for the site.**

11. The owner must post, in a prominent public place and in a form approved by the zoning administrator, a placard with the approved Conditional Use Permit number, the nature of the operation, name and contact information for the operator, and contact information for the Dane County Zoning Division.
12. The owner or operator must keep a copy of the conditional use permit, including the list of all conditions, on the site, available for inspection to the public during business hours.
13. Failure to comply with any imposed conditions, or to pay reasonable county costs of investigation or enforcement of sustained violations, may be grounds for revocation of the conditional use permit. The holder of a conditional use permit shall be given a reasonable opportunity to correct any violations prior to revocation.
14. The site shall be developed and maintained in accordance with the final Site Plan approved by the Town;
15. Outdoor storage shall be limited to greenhouse inventory only, and shall be located in the areas designated on the approved site plan.
16. Large truck deliveries of company inventory shall be limited to the hours of operation indicated by the applicant (9am-7pm Mon-Sat, 9am-6pm Sunday).
17. All outdoor site lighting shall consist of full-cutoff fixtures that are dark sky compliant. The proposed lighting plan is acceptable.
