Any revisions to this agreement must be made by written amendment, signed by both parties, prior to the termination date of this agreement, whether for changes in scope, grant period, or cost.

A.3. Failure by the GRANTEE to comply with the terms of this agreement shall not cause the suspension of all obligations of the State if, in the judgment of the Secretary of the DEPARTMENT, such failure was due to no fault of the GRANTEE. In such case, any amount required to settle at minimum costs any irrevocable obligations properly incurred shall be eligible for reimbursement under this agreement, at the DEPARTMENT's discretion.

A.4. Eligibility for cost-sharing reimbursement is governed by the provisions of s. NR 154.04 and ch. NR 153, Wis. Adm. Code. Cost-share rates and applicability may be further limited by departmental contract approval(s), which may restrict the cost-share amount due to the eligibility requirements of the statute and codes.

A.5. The amount listed in Part 2 above is the maximum amount the DEPARTMENT may reimburse under this agreement.

A.6. Neither the GRANTEE nor any landowner or land operator may adopt any land use or practice that reduces the effectiveness or defeats the purposes of any BMP installed under this agreement.

A.7. The GRANTEE:

1. Agrees to comply with all applicable Federal, Wisconsin, and local laws in fulfilling the terms of this agreement.
2. Promises to execute the project described in accordance with this agreement.

6. Agrees to reimburse the DEPARTMENT of any and all funds the DEPARTMENT deems appropriate in the event the GRANTEE fails to comply with the conditions of this agreement or project proposal as described or fails to provide public benefits as indicated in the project application, proposal description or this agreement. In addition, should the GRANTEE fail to comply with the conditions of this agreement, fail to progress due to non-appropriation of funds, or fail to progress with or complete the project to the satisfaction of the DEPARTMENT, all obligations of the DEPARTMENT under this agreement may be terminated, including further project cost payment.

The CSA must include appropriate operation and maintenance requirements. The CSA installation period can be no longer than the grant period of this agreement. Each CSA exceeding \$50,000 for professional service and construction contracts, construction designs, and appraisals must be approved by the DEPARTMENT regional Nonpoint Source Coordinator before GRANTEE and landowner or land operator sign. The cost share rate included in the CSA shall not exceed the rates specified in chs. NR 153 and 154, Wis. Adm. Code, or in Part 2 of this agreement. Stats., and that is consistent with rules promulgated under s. 49.858(2)(a), Wis. Stats.
15. Agrees to comply, at its own expense, with annual Single Audit requirement. Annual Single Audit requirements are specified in 2 *CFR Part 200*, titled "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (also referred to as "Uniform Guidance"). The GRANTEE agrees to have an audit performed in accordance with the Uniform Guidance if the GRANTEE expends \$750,000 or more in combination of state and federal funds during the calendar year. Wisconsin State Single Audit Guidelines may be found at: <http://www.doa.state.wi.us/Divisions/budget-and-finance/financial-reporting/state-controllers-office/state-single-audit-guidelines> issued by the Wisconsin Department of Administration (DOA), State Controller's Office.
16. May request partial reimbursements from the DEPARTMENT for completed project components. Reimbursements are not possible for work done before or after the grant period identified in Part 1 above or for components not specified in the Part 3 of this agreement. Reimbursements are contingent upon availability of funds. Reimbursement request(s) must be submitted to the DEPARTMENT Regional Nonpoint Source Coordinator identified in Part 1 above and must be accompanied by proof of purchase documentation and project progress reports.

17. Agrees, within 60 days of grant expiration date, to complete and submit a final report, using the DEPARTMENT's "BMP Implementation Tracking System" (BITS), and complete and submit a final request for grant reimbursement to the DEPARTMENT's Regional Nonpoint Source Coordinator for review and approval.

21. Shall seek repayment from CSA recipient of expenses reimbursed by the GRANTEE for project costs subsequently determined to be ineligible for grant reimbursement. Ineligible costs could include, but not limited to, livestock operations requiring WPDES permit coverage that have, within 12 months of reimbursement for BMPS under this agreement, at least 1,000 animal units and are required to apply for a WPDES permit under s. NR 243.12 (1) (a) or (b), Wis. Adm. Code. After ineligible reimbursements are recovered from CSA recipient, the GRANTEE shall repay the DEPARTMENT any previous grant reimbursements for grant-ineligible expenses.

A.8. The DEPARTMENT:

1. Promises, in consideration of the covenants and agreements made by the GRANTEE, to obligate for the GRANTEE the amount identified in Part 2 above and to tender to the GRANTEE that portion of the obligation that is required to pay the DEPARTMENT's share of the costs based on the cost-share percentage listed on Part 2 above for work performed and expenses incurred during the grant period noted in Part 1 above for eligible project costs.
2. Agrees that the GRANTEE shall have sole control of the method, hours worked, and time and manner of any performance under this agreement other than as specifically provided in this document. The DEPARTMENT reserves the right only to inspect the job site or premises for the sole purpose of ensuring that the project is progressing or has been completed in compliance with this agreement. The DEPARTMENT takes no responsibility of supervision or direction of the performance of the agreement to be performed by the GRANTEE or the GRANTEE's employees or agents. The GRANTEE is an Independent Contractor for all purposes, not an employee or agent of the DEPARTMENT. The DEPARTMENT further agrees that it will exercise no control over the selection and dismissal of the GRANTEE's employees or agents.
3. Agrees to notify the GRANTEE at the beginning of each calendar year about award of Federal funds in a prior calendar year as an aid for GRANTEES that are undergoing Annual Single Audit.
4. Shall not reimburse GRANTEE for engineering design costs until installations of associated BMPs have been completed and certified by the GRANTEE as installed in accordance with the grant program standards and specifications of [ch. 154, Wis. Admin. Code](#).
5. Reserves the right to terminate this agreement in whole or in part, with or without cause, without prior notice and without any penalty or liability whatsoever to the DEPARTMENT. For the avoidance of doubt, termination by the DEPARTMENT is permitted for, among other things: failure of GRANTEE to make sufficient progress, failure of GRANTEE to comply with any of the terms of this agreement, lack of appropriation, termination or suspension of a federal grant award to the DEPARTMENT, or non-receipt of state or federal funds. Upon termination, GRANTEE shall (1) promptly discontinue all services affected (unless the notice directs otherwise); (2) terminate all subcontracts to the extent that they relate to the performance of work terminated by the DEPARTMENT, and (3) deliver or otherwise make available to the DEPARTMENT, all data, reports, estimates, summaries, and such other information and materials as may have been accumulated by the GRANTEE in performing this agreement, whether completed or in process.

B. Special Conditions

If historical/cultural artifacts are unearthed or environmental hazards are discovered during any earth disturbance activity under this agreement, the GRANTEE must immediately stop construction activities and notify the DEPARTMENT's Regional Nonpoint Source Coordinator to determine the appropriate response.

B.2. Compliance Notification. GRANTEE shall provide a written record to the cost-share recipient of any croplands and livestock facilities brought into compliance with ch. NR 151 performance standards and prohibitions as a result of a project conducted under this agreement. A copy of that written record shall be provided to the DEPARTMENT's regional Nonpoint Source Coordinator. The written record shall clearly identify:

- the locations of the livestock facilities or croplands brought into compliance;
- the specific performance standards and prohibitions with which each of the identified livestock facilities and croplands comply;
- a statement that, under Wisconsin law, compliance at these sites must be maintained in perpetuity regardless of future cost sharing.

B.3. WPDES Permit Potential. GRANTEE shall withhold reimbursement from cost-share recipients who, within twelve (12) months of commencing construction of a practice funded under this agreement, intend to expand livestock operations to the extent that they will be required to apply for a WPDES permit under s. NR 243.12 (1) (a) or (b), Wis. Adm. Code, if such practice(s) would be covered under the permit. If reimbursement is made within this timeframe, GRANTEE shall require the cost-share recipient to return all applicable reimbursements.
