### NOTICE OF CIRCUMSTANCES OF CLAIM Pursuant to §893.80(1d)(a) Wis. Stats.

Dear Mr. McDonell (or designee):

The undersigned has been retained by Northland Insurance Companies ("Northland") to protect and to prosecute its interests and those of its insured, Ed Burns & Sons Trucking, Inc. with reference to claims made against them and/or paid by them with reference to a loss that is described more fully below and in the attached documentation. Northland, as insurer for Ed Burns & Sons Trucking, Inc. ("Burns"), has made and may yet make payment to claimant(s) seeking recovery for losses sustained in the accident described below. Northland intends to seek recovery from the State of Wisconsin in subrogation for such payments made, and for contribution and/or indemnity toward claims made or yet to be made.

To the extent that the State of Wisconsin defends this matter and alleges that the duties and responsibilities referenced below were the duties and responsibilities of Dane County, we provide you with the following as our Notice of Circumstances:

TIME and DATE OF LOSS: **4:39 p.m., January 9, 2017**

LOCATON: **US Highway 12, EB, at High Point Road, City of Madison**

CIRCUMSTANCES OF THE EVENT: **Burns, by its driver, Calvin Boomhower, was conveying a 2015 Caterpillar 420F backhoe for its consignee, McAllister Rental. The cargo was being transported from Cross Plains, WI. to Richmond, WI.**

*Not a Partnership or Professional Corporation  
All attorneys are Employees of The Travelers Indemnity Company  
And its Property Casualty Affiliates*

The transport route included US Highway 12 EB and traveled under the bridge carrying High Point Rd.

The load had a height in excess of 14.61 feet and struck the underside of the bridge. The load was dislodged from the flatbed trailer; suffered significant damage; and was subsequently deemed a total loss. The trailer being used for the transport was also damaged; and Burns incurred additional expenses which Northland was/will be obligated to pay.

Upon investigation after the accident, it was confirmed that the bridge height was 14.61 feet and the bridge was not marked. Such clearance is below the regulatory limit of 15'03". Upon information and belief, the bridge was not listed by the Wisconsin Department of Transportation on its published listing of "Bridges with clearance less than 16'03". Nor was the bridge listed as "LESS THAN LEGAL HEIGHT BRIDGES ON/UNDER WISCONSIN HIGHWAYS"

RESPONSIBLE STATE AGENCY: DEPARTMENT OF TRANSPORTATION

RESPONSIBLE STATE EMPLOYEES:

Dave Ross	Secretary, Department of Transportation
Mark Gottlieb	Former Secretary, Department of Transportation
Joe Olson	Former Division Administrator, Division of Transportation System Development

Jon Maxwell	Project Leader

ACTIONS COMPLAINED OF: One or more of the foregoing state officers, through their employees and/or agents negligently maintained the subject bridge in violation of national and state regulatory requirements; failed to properly mark the bridge height; and failed to publish the bridge's non-compliance in a fashion reasonably calculated to communicate its height to transportation professionals and the motoring public.

CLAIMANTS: Northland Insurance Companies as subrogee of Ed Burns Trucking, Inc.

Again, it is the expectation of the undersigned that Northland will make claim against the state of Wisconsin as subrogee for payments made or to be made and in contribution and/or indemnification with reference to claims made or to be made by other claimants.

In support of this notice, we provide the following documentation:

1. WisDOT Driver/Vehicle Examination Report, WI17960002658;

Your thoughtful consideration of this matter will be greatly appreciated.

Very truly yours,
