**2025 RES-031**

**AUTHORIZING EXECUTION AND SUBMITTAL OF A REQUEST FOR APPROVAL OF  
AN APPLICATION FOR FOREIGN-TRADE SUBZONE DESIGNATION**

FTZ No. 266

Accuray Incorporated ("Accuray") has requested that Dane County, as the grantee and administrator of Foreign-Trade Zone No. 266, submit a request for Foreign-Trade Subzone designation approval to the United States Foreign-Trade Zone Board requesting approval of subzone status for the approximately 6.5 acre and 1.3 acre sites of Accuray's present operations in Madison, Wisconsin. Accuray manufactures radiation therapy systems used to treat cancer and extensively exports worldwide from its headquarters and operations in Madison, Wisconsin. Accuray intends to use the subzone site for operations including manufacturing, warehousing, and distribution of radiosurgery and radiation therapy medical devices. It is anticipated that operations associated with the Accuray subzone will stabilize tariffs exposure through the currently uncertain environment to continue serving healthcare providers globally and supporting exports from Madison. Fees and charges paid to Dane County by Accuray relating to establishing and operating the subzone to Foreign-Trade Zone No. 266 will help offset costs incurred by Dane County in establishing and administering Foreign-Trade Zone No. 266. Accuray's operation and administration of the requested subzone will be subject to the terms of a Subzone Operator Agreement with Dane County.

**NOW, THEREFORE, BE IT RESOLVED** that the Dane County Executive is authorized to execute on behalf of Dane County, and submit to the United States Foreign-Trade Zone Board, a request for Foreign-Trade Subzone designation, as set forth above;

**BE IT FURTHER RESOLVED** that the Dane County Executive and Dane County Clerk are authorized to execute on behalf of Dane County a Subzone Operator Agreement with Accuray Incorporated to operate and administer the Foreign-Trade Subzone, as set forth above; and

**BE IT FINALLY RESOLVED** that the Director of the Dane County Regional Airport is authorized to execute on behalf of Dane County documents related to the foregoing subzone designation approval request if needed, and in furtherance of the establishment, operation, and maintenance of the above described subzone to be operated by Accuray Incorporated.
