3 REAUTHORIZATION OF DANE COUNTY'S SELF-INSURED WORKER'S COMPENSATION  
4 PROGRAM & PURCHASE OF EXCESS WORKER'S COMPENSATION COVERAGE  
5

6 The Wisconsin Worker's Compensation Act ("the Act") requires all Wisconsin employers  
7 to either purchase Worker's Compensation insurance or be self-insured (and thereby assume  
8 the responsibility for Worker's Compensation risk and payment without an insurance policy).  
9

10 In compliance with Wisconsin Administrative Code DWD 80.60(3), the Dane County  
11 Board of Supervisors approves the continuation of the self-insured Worker's Compensation  
12 program currently in effect. Dane County will continue to report faithfully all compensable  
13 injuries to the Wisconsin Department of Workforce Development ("DWD") and will continue to  
14 comply with the Act and all applicable DWD rules.  
15

16 Dane County transfers some of the risk of operating its self-insured Worker's  
17 Compensation program by purchasing excess Worker's Compensation insurance. The County  
18 Controller is authorized to pay the premiums and deductibles associated with this coverage.  
19 The specific amount for this policy is provided in the adopted 2022 budget.
