Minutes - Final Unless Amended by Committee

Park Commission

Consider:

Who benefits? Who is burdened?

Who does not have a voice at the table?

How can policymakers mitigate unintended consequences?

D. Presentations

1. Proposed Ice Age Trail Realignment in Indian Lake County Park

Chad DeChateau, Field Project Manager for the Ice Age Trail Alliance (IATA), provided an overview of IATA's statewide trail work. IATA staff and volunteers build and maintain sustainable trails. IATA staff submit trail project proposals to the National Park Service for review and approval before scheduling trail crew events. Approximately a 7,500-foot Ice Age Trail realignment in Indian Lake County Park is scheduled as a five-day build event in September.

E. Reports to Committee

1. 2027 Park Fee Initial Discussion

Staff reviewed the County budget deficit and potential impacts to staff levels and services, and requested early Parks Commission guidance on pursuing 2027 fee adjustments to help offset cuts. Commissioners were asked to consider options such as non-Dane County resident permit rates and lowering the permit age threshold to 12. Fee discussions will be a standing agenda item at most meetings leading up to the June 10, 2026 public hearing, and a generally supported draft proposal is needed by mid-May for outreach. Supervisor Postler volunteered to work with staff, and staff will compile data and options for initial direction at the March 25 meeting.

F. Items Requiring Committee Action

1. Select Summer Outdoor Meeting Locations

Commissioners discussed location options for outdoor meetings during the summer season. Discussion included a request to prioritize park properties that have not hosted a meeting in several years, and multiple parks were suggested. Chair Thoresen directed staff to compile and present a final summer outdoor meeting location schedule based on the locations discussed.
