8

9 The Wisconsin Department of Transportation requests a contract to continue their  
10 agreement with the Dane County Sheriff's Office to provide a Freeway Service Team (FST)  
11 for the USH 12/14/18/151 corridor in Dane County, referred to as the Beltline Highway. The  
12 contract term is July 1, 2023 through June 30, 2024, and the maximum contract amount is  
13 \$285,000. The estimated expenditures and revenues for this program are handled through  
14 the 2023 and 2024 budget process. This project supports funding for positions 2413 and  
15 2414 through June 30, 2024, contingent upon continued financial support from the Wisconsin  
16 Department of Transportation. The Wisconsin Department of Transportation has agreed to  
17 compensate the Sheriff's Office for the actual cost of providing FST service including training  
18 and service equipment necessary to perform FST duties.  
19

20 The objective of the FST is to locate, respond to, and clear traffic incidents quickly.  
21 Clearing traffic incidents quickly reduces congestion, provides efficient traffic flow, reduces  
22 delays, and reduces the chance of secondary traffic accidents.  
23

24 **NOW, THEREFORE, BE IT RESOLVED** that the Dane County Sheriff is authorized to  
25 enter into a contract with the Wisconsin Department of Transportation to continue FST service  
26 currently operated by the Sheriff's Office; and  
27

28 **BE IT FURTHER RESOLVED** grant funding for positions 2413 and 2414 is extended  
29 July 1, 2023 through June 30, 2024, contingent upon continued financial support from the  
30 Wisconsin Department of Transportation; and  
31

**BE IT FINALLY RESOLVED** that all unexpended funds and unrecognized revenues  
from the above referenced grant program are carried forward from the 2023 budget to the  
2024 budget period.
