A VENDOR QUOTE MUST BE ATTACHED TO THE WAIVER FOR APPROVAL

Provide a detailed description of the goods/services intended to be purchased:

O6 Environmental will mobilization to the site and use a high pressure water system to clean the sulfur sludge and plastic media from the second biodesulfurization tower at the Dane County Department of Waste & Renewables RNG Plant.

O6 Environmental will also facilitate the disposal of the waste materials generated from the clean out.

Bid Waiver Form

Revised 02/2020

Procurement Exception List (place an "X" next to any that apply)	
	Emergency Procurement
	Only one vendor possesses the unique and singularly available ability to meet the Department's requirements
X	Unique and specific technical qualifications are required
	A special adaptation for a special purpose is required
	A unique or opportune buying condition exists

Provide a detailed explanation as to why the competitive bidding (RFB/RFP) process cannot be used. Also provide a detailed justification in relation to the Procurement Exception chosen:
<p>Dane County Department of Waste & Renewables staff has been working for over 6 weeks to clean out one of the 60 foot tall biodesulfurization towers onsite. The manual process has been completed by hand from the ground and outside of the tower.</p> <p>To return these towers to normal operations as soon as reasonably possible and to prevent damage and further expenses that could occur due to cold temperatures, the Department of Waste & Renewables has solicited professional expertise for assistance with cleaning the second tower.</p> <p>O6 Environmental Services, Inc. has the unique professional expertise, HAZWOPER trained personnel, certifications, proper equipment, and availability to meet the project timeline and clean the second tower in a safe and effective manner.</p>

Bid Waiver Approval (Purchasing Use Only)

Under \$37,000 Controller Approval	Date

\$37,000 or over Personnel & Finance Committee Approval Date
