City-County Homeless Issues Committee,

I am writing in opposition to repealing sections 6(a) and 6(b). Right now both of those sections are protecting property owners and ones possibly sleeping in/on public or private property. There is so much that is able to be said about repealing this and I could go on and on but I'm sure, hoping, there will be so many against it with the same concerns. Whoever is for the repeal, let them have an individual, the family and friends live in their yard and see how that goes. There are so many resources the City has invested money into for anyone to utilize. I've kept this short and thank you for your time. Roxanne Richman
