

Dear County Health and Human Needs Committee,

I am contacting you to tell you that I strongly support that your committee appropriate \$450,000 for initial costs, \$6000, for on-going costs and \$32,000 on-going costs for the Occupy Village Tiny Houses.

Thank you.

Dear Health & Human Needs Committee members,

I want to express my support for the project you are undertaking with Occupy Madison to help the homeless in the city. As a Madison northsider, I'd feel proud to know that we are doing our part to address this growing situation. As for how the property will be managed, I hope that you will consider OM's desire to own the land and building. I feel that this may encourage other private groups to find creative ways to offer much needed assistance in a timely manner. Thanks for the dedicated service you provide to the community!

Yours,
