2016 RES-341  
AUTHORIZATION TO ENTER INTO AN AGREEMENT WITH YAHARA  
WATERSHED IMPROVEMENT NETWORK FOR ADAPTIVE MANAGEMENT

Dane County and the Yahara Watershed Improvement Network (WINS) in collaboration with others, are pursuing an approach to address reductions of phosphorus in the Yahara River Watershed through an Adaptive Management project. The Dane County Land & Water Resources Department is able to provide assistance in the implementation of an Adaptive Management project and WINS desires to obtain such assistance from the County.

An agreement has been reached between the County and WINS for an Adaptive Management project. The agreement covers a five (5) year period beginning January 2017 and ending December 2021. The revenue and staffing to support the agreement have been included in the 2017 Land & Water Resources Department budget.

Now, Therefore, Be It Resolved, that Dane County Board of Supervisors approves entering into an agreement with the Yahara Watershed Improvement Network for Adaptive Management services.

Be It Further Resolved, that the County Executive and the County Clerk are hereby authorized to execute the Agreement.
