3 **PROCUREMENT EQUITY IN DANE COUNTY GOVERNMENT**
4

5 Dane County government is committed to becoming a more racially equitable and socially
6 just institution in several areas, including: infrastructure; operations; budgets, policy and
7 programs; and in our communities. Over the course of the last several years, Dane County
8 has taken a number of steps to advance racial and social equity. The Dane County Board of
9 Supervisors conducted an independent analysis of racial equity across all county operations,
10 which GARE and Center for Social Inclusion (CSI) completed in September 2015. In this
11 comprehensive study, multiple recommendations and strategies were enumerated to move
12 Dane County to a more responsive, equitable, and just organization. One of the
13 recommendations made in the analysis was to ensure Dane County’s communities of color
14 share in the County’s economic prosperity via Investments in contracting and procurement
15 that benefit the diversity of Dane County’s communities (Page 35 Recommendation 3,
16 Strategy B). This Program Evaluation of Racial and Social Equity in Dane County Contracting
17 and Procurement is intended to help us implement the above recommendation.
18

19 A Request for Proposals was issued on behalf of the Dane County Board Office soliciting
20 proposals for an evaluation, through a racial and social equity lens, of Dane County
21 Government’s Contracting and Procurement Policies and Processes. The evaluation is
22 intended to yield recommendations for strategies and actions that would further advance
23 racial and social equity in Dane County contracting and procurement while also maintaining
24 the transparency, procedural fairness, and sound procurement industry practices valued by
25 Dane County.
26

27 Responses were received from two well-qualified firms. Responses are on file in the
28 Purchasing Division of the Department of Administration. The proposals have been
29 evaluated, and the proposal of MGT of America Consulting, L.L.C. for completion of a
30 Program Evaluation of Contracting and Procurement Equity in Dane County Government
31 was found to be most advantageous to the County.
32

34 awarded the contract to complete the Program Evaluation of Contracting and Procurement
35 Equity in Dane County Government at a cost not to exceed \$139,155; and
