RE:      Claimant:                    Super Trooper Motors  
            Our Claim No.:                ALDA00000082  
            Our Insured:                    Dane County  
            Date of Loss:                    2/06/2019

Dear Mr. Lowndes,

We have received the above referenced claim on 2/27/2019. Following a review of the information regarding allegations that our plow threw snow onto deal lot vehicles, it has been determined that Dane County has no liability for this claim. Claimant has failed to meet their burden of proof that we caused the damage. Furthermore, the County would have immunity for this loss. We did have plows in the area at various times of the day. However, GPS records show our plows were driving speed limits and under when engaged in snow plow operations. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

Jackie Kaul
