Subject: Conditional use permit cup2542

CAUTION: External Email - Beware of unknown links and attachments. Contact Helpdesk at 266-4440 if unsure

To whom it may concern

Since I will be unavailable to register my opposition to the conditional use permit for the virtual meeting on 11/23/21 I would like to use this email to register my opposition at this point. The property (4216 Morris park rd.) and location in question has been a quiet residential area for decades and before that was the sacred ground of Native American nation. There is very limited parking on an already tight curved portion of the road. Increased traffic associated with tourist lodging will only exacerbate the danger on the curve. Transient and tourist usage will likewise change the fundamental quiet residential nature of the area to more of a commercial transient atmosphere. Please do not permit this change to alter this neighborhood or open the door to further commercial development.

Thank you.

Mark Jung

4206 Morris park rd.

McFarland, wi.
