3 **2023 RES-421**

4 **AUTHORIZING PURCHASE OF MICROSOFT LICENSING ENTERPRISE**
5 **AGREEMENTS**

6 Funding was added in the 2024 budget to enter into new Enterprise Agreements with
7 Microsoft. Microsoft offers these agreements in three-year increments to fully license all
8 devices owned by the County including end user, device and enterprise server
9 equipment. The new Microsoft Enterprise Agreements would be for a term of May 2024
10 through April 2027.

11
12 The Server and Cloud Enrollment agreement will provide datacenter core licensing and
13 SQL licensing for a three-year period at a cost of \$967,042.59. The licenses provided
14 within this agreement support both physical and virtual servers that host user
15 applications throughout the county within the DCIM datacenters.

16
17 The Software Assurance agreement will provide end user licensing for devices, Citrix
18 remote access abilities and Microsoft applications while also providing support and
19 future updates at a cost of \$3,631,782.57.

20
21 The total cost of \$4,598,825.16 will cover any future upgrades that are needed during
22 the three-year agreement. At the end of these agreements, the County may decide to
23 purchase an additional three year agreement or discontinue with this licensing model.

24
25 **NOW, THEREFORE, BE IT RESOLVED** that the County Executive and County Clerk
26 are authorized to enter into agreements with CDW Government LLC as the distributor to
27 purchase Server and Cloud Enrollment and Software Assurance agreements for
28 Microsoft Licensing.
