CUP 2338  
Halfway Prairie, LLC  
STH 78  
Town of Mazomanie  
Dane County

WisDOT SW Region Madison office requests that Dane County Planning & Development consider the following in regards CUP #2338 as it relates to the above mentioned lands.

**A search of this parcel yielded the absence of a permit on file therefore contact must be made with WisDOT to obtain a driveway/connection permit.** Any access to STH 78 will need to be requested from WisDOT through our driveway permitting process. This includes new access, or changing use of an existing restricted access. The property owner should contact Scot Hinkle, WisDOT SW Region Permit Coordinator for information at 608-246-5334.

To increase highway safety it is a policy of WisDOT to limit the number of driveways along state highways by combining driveways, encouraging shared driveways and requiring access be to a lower classified town road or county road if possible.

Sincerely,

Jean Mancheski
