            Our Claim No.:                  GLDA00001873  
            Our Insured:                      Dane County  
            Date of Loss:                      12/24/2021

Dear Dan Lowndes,

We have received the above referenced claim on 12/30/2022. Following a review of the information regarding Claimant alleges catching COVID while at work causing cancellation of holiday travel plans, it has been determined that Dane County has no liability for this claim as the work compensation policy would have the remedy for on the job injuries and illnesses and not the Liability policy. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brandon Johnson', is positioned above the typed name.
