Re: Rutland Action on CUP 2396

Roger and Majid,

The purpose of this letter is to advise you that at their respective meetings held on March 5, 2018 and March 6, 2018, the Rutland Town Planning Commission and the Rutland Town Board adopted resolutions to forward CUP #2396 to Dane County with no recommendation. In other words, the Town took no action to approve or disapprove the application. The vote of the Planning Commission to recommend that no recommendation be made was 4-0-1 (Chairman Mark Porter abstained). The Board vote on the "no recommendation to Dane County" action was 3-0-1 (Chairman Mark Porter also abstained on this vote).

If you need further information on this matter, please advise me.

Thank you.

For the Rutland Town Board,

Dawn George, Clerk
