2018 RES-606

AUTHORIZING A CONTRACT FOR DANE COUNTY JAIL SECURITY SERVICE VIDEO SURVEILLANCE SYSTEM UPGRADE

The Dane County Sheriff is responsible for operation of the County Jail and care for inmates therein. In order to enable the Sheriff to effectively manage the Jail including security liability issues, the Sheriff's Office desires to purchase services from SGTS, Inc., for a Jail security service video surveillance system upgrade.

This video surveillance system upgrade shall replace existing security video (CCTV) hardware and software in the City County Building (CCB), the Public Safety Building (PSB) and the Courthouse. The new system is a single application for live and recorded video monitoring; existing ViconNet security video systems shall be replaced with a Bosch Recording solution. The PSB shall be outfitted with a Bosch recording solution, (3) six monitor workstations in PSB master control and (3) one monitor workstations in the PSB. The Bosch recording solution is designed to use hardware and software required for future, site wide video system upgrades and will allow for "privacy masking" of recorded video to meet Prison Rape Elimination Act (PREA) compliance requirements that allow for privacy screening and the ability for no video data recordings.

Dane County engaged in a competitive bidding process for a vendor to provide the jail security service system upgrade, Request for Proposal (RFP) #119025, and SGTS, Inc., of Verona, Wisconsin, was the successful bidder in the aforementioned competitive bid process.

Funding for this project is available as follows:

CPSHRF 57683 Jail Space Needs Analysis Plan	\$306,340.35
CPSHRF 58081 Video Surveillance Upgrade	<u>\$422,000.00</u>
Total	\$728,340.35

NOW, THEREFORE BE IT RESOLVED that the following budget account lines are adjusted in the 2019 Budget as follows:

CPSHRF 57683 Jail Space Needs Analysis Plan	(\$306,340.35)
CPSHRF 58081 Video Surveillance Upgrade	\$306,340.35

BE IT FURTHER RESOLVED, that a contract is awarded to SGTS, Inc., of Verona, Wisconsin, for a Jail security service video surveillance system upgrade commencing May 2, 2019 and continuing to completion August 31, 2019; and

BE IT FINALLY RESOLVED, that the Dane County Executive and the Dane County Clerk are authorized to execute the necessary documents for the contract.
