CUP 2103

**REVIEW AND POSSIBLE REVOCATION OF CUP #2103**

Landowner: Oak Park Quarry, LLC

Location: 3522 Oak Park Road, Section 29, Town of Deerfield

Reason: compliance with conditions of approval and standards found in Dane County Code of Ordinances Section 10.255(2)(h)

*Supervisor Salov spoke in support of the revocation of Conditional Use Permit #2103. He base his support on the concerns of the Town, 112 person petition in favor of revocation, the operator challenging the lack of non-conforming status for the site, the Town being forced to create a blasting license in fear of the impact that the quarry poses on the neighboring properties, the numerous violations that have occurred on the property, and the concern in the operator's statement that the Deerfield blasting ordinances do not apply to the Oak Park Quarry site. For these reasons, the CUP should be revoked.*

*Attorney Sweeney, representing Oak Park Quarry LLC, stated that the owner has been very cooperative in addressing the concerns of the neighborhood. The owner has hired professional consultants to evaluate the blasting. The owner is willing to establish a neighborhood blasting committee to review the quarry on a regular basis. The owner is willing to comply with the Town's blasting ordinances and mineral extraction ordinances.*

*Pastor Holly Slater stated that Oak Park Quarry has not been very cooperative in addressing the Church's concerns regarding the damage to the church and cemetery grounds.*

*Town Supervisor Nick Brattlie stated that the Town of Deerfield has recently revised the blasting ordinances by placing a 0.2 ppv blasting limit to help protect historical structures. The Town Board felt that the limitation would be sufficient.*

**A motion was made by MILES, seconded by MATANO, that this Conditional Use Permit be postponed until the ZLR Committee tours the quarry site, church, and possibly other structures in the area. Staff is instructed to explore a third party that could provide an analysis of the impact that the blasting has on the neighboring structures. The motion carried by the following vote: 5-0.**
