TO: Zoning and Land Regulation Committee members
FROM: Roger Lane, Dane County Zoning Administrator
SUBJECT: Status Report on the Oak Park Quarry, Section 19, Town of Deerfield
DATE: March 3, 2016

Town meetings regarding Blasting and Mineral Extraction Applications

The Town of Deerfield held a public hearing on March 1, 2016 regarding the proposed Blasting and Mineral Extraction licenses. Testimony was received from the public. The Town Board postponed action on the licensing until the March 14th Town Board meeting.

Other meetings regarding blasting and the extraction operation

Prior to the Town's public hearing, Endpoint Solutions held a public information session regarding the Oak Park Quarry. The Dane County Towns Association and the Wisconsin Towns Association attended the meeting. They informed the attendees that if this matter was not resolved amicably soon, that the State Legislator may look at changing legislation that would exempt non-metallic mineral extraction from zoning regulations and local control.
