RE: County Executive Appointments Resolution 2018 RES-199

It has been brought to my attention that Susan Crawford resigned from the Equal Opportunities Commission on April 27, 2018 and that her name was inadvertently included in 2018 RES-199. I request that a motion be made to remove her reappointment from 2018 RES-199.

I will submit a candidate to fill her vacancy in a future appointments resolution.

Thank you.
