Subject: Request for Agenda Item on Mapping Prejudice Project

Good afternoon,

I'm wondering if we could discuss the Mapping Prejudice project and next steps on what it would take to do this in Dane County. <https://www.mappingprejudice.org/index.html>

I spoke with some of you after Dr. Delegard's talk at the Housing Summit and Todd touched on this at one of our recent meetings. I think it would be nice to think through this as a committee and hear more from staff.

Please let me know what you think.

Thanks for considering,

Heidi
