Discussion and possible action on a proposed ordinance amendment for Conditional Use Permit Appeals

**Zoning Administrator Lane informed the Committee that the Dane County Towns Association had an opportunity to review the proposed ordinance amendment change. The ordinance amendment will be forwarded to Corporation Counsel in preparation for the ordinance amendment to be introduced in the near future.**

Discussion and possible action of how informational material is received as part of public input regarding zoning petitions and conditional use permits

**The ZLR Committee review potential changes in the way information is introduced to the Committee to create a formal official record. Supervisor Matano stated that the language in section 2f would need some wordsmithing. He noted that language should be added to show a clear process on taking additional testimony after the public hearing. He also would like to see a way that parties, in support / in opposition, have an equal opportunity for rebuttal on changes that occur through the process.**
