My concern is a SAFETY CONCERN:

There is a dangerous curve on Rustic Drive where this property is located. It's somewhat of a blindspot from the South. Cars come around the curve and there have been accidents and many near accidents. In our 16 years across from this location our mailbox has been taken out numerous times. (Neighbors mailboxes have also been taken out including said property) We are looking out for the safety of the children and parents when dropping off and picking up their children.

This is a dangerous location for Daycare Center.
