Hello,

My name is Megan Spielbauer Sandate, and I am emailing to demand that the Public Protection & Judiciary Committee do all in its power to free Jessica Williams, a key organizer of the campaign to free Kenyairra Love. Jessica Williams has been arrested for disorderly conduct simply because she has shown up and demanded that Kenyairra Love not be prosecuted for defending herself against an attacker.

Jessica Williams, like Kenyairra Love, should not be in jail right now. The arrest of Jessica Williams is a continuation of a history of targeted arrests by police departments in Dane County and across the country of organizers who dare to disagree with state officials and call them out for their injustice.

Please use your position and the position of your committee to demand that District Attorney Ismael Ozanne drop the charges against Jessica Williams and release her from custody.

Thank you,
Megan
