RE: Claimant: Judith Sumner
 Our Claim No.: ALDA00001095
 Our Insured: Dane County
 Date of Loss: 11/7/2023

Dear David Gault and Teresa Sanchez,

We have received the above referenced claim on 11/14/2023. Ms. Sumner submitted a claim for rock chips to her windshield. Ms. Sumner alleged that the rocks came from a County vehicle and therefore the County was responsible for her damages. Our investigation confirmed that County Truck 1818 was captured in the video provided by Ms. Sumner. However, the Dane County Highway Department has confirmed there was no load in the truck at the time of the incident. Based on our review and the information provided to us, it appears that the rocks were road debris kicked up by traffic. As such, Dane County has no liability for this claim. Please issue a formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance. A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

A handwritten signature in black ink that reads "Nicole Busch".
