

2015 RES-292
AMENDING THE 2015 CAPITAL BUDGET TO
UPGRADE BADGER PRAIRIE ASCOM PHONES AND NURSES CALL SYSTEM
BADGER PRAIRE HEALTH CARE CENTER

Badger Prairie Health Care Center currently uses hardware/software referred to IMS2 for maintenance of the Ascom phone equipment. This phone equipment also doubles as the nurse call system.

In August, Badger Prairie was informed that IMS2 is no longer supported by Ascom and Badger Prairie must upgrade to Elise 3, because replacement equipment is no longer available.

Badger Prairie Health Care Center is a 24-hour a day facility. The need to have both the phone system and the nurses call system operative at all times is of paramount importance. The cost to upgrade both is \$45,000.

NOW, THEREFORE, BE IT RESOLVED that the following amendment be made to the 2015 Capital Budget:

Revenue	Account Number	Account Title	Amount
BPHCCAPP	84971	BORROWING PROCEEDS	\$45,000
		Total	\$45,000

Expenditure	Account Number	Account Title	Amount
BPHCCAPP	NEW	PHONE & NURSES CALL SYSTEM	\$45,000
		Total	\$45,000
