**Requisition Submitted:**

Department has entered a request to fill the position, but the request has not yet been approved. A position may not be approved to fill for a number of reasons - including missing paperwork or lack of funding. Employee Relations has not assigned these positions to an HR Analyst yet.

**Recruitment in Progress:**

This status indicates that Employee Relations (ER) is doing one of three major activities: First, ER works with Departments to update the position description and announce the vacancy/recruitment. Second, ER screens candidates for minimum qualifications. Third, ER score all candidates that meet the minimum qualifications and certify a list of names to the Department.

**List sent to Department:**

Employee Relations has certified a list of names and sent it to the hiring manager. Upon receiving a certified list, hiring managers are responsible for scheduling interviews and making offers to candidates.

**Department Cancelled Requisition:**

Departments cancel requisitions for a number of reasons. The primary reasons are when the Department has exhausted the list of candidates sent to them or when the Department wants to make a change to the position and the Department needs to restart the recruitment process.

**Will Start (Date):**
