Re: 2015 Resolution -385 County Executive Appointments

The County Executive's Office was recently notified of a pending retirement regarding a proposed appointee to the Dane County Sensitive Crimes Commission.

Lt. Stephanie Bradley Wilson has served on the Commission given her professional background with the Madison Police Department. Resolution 385 reflects the Commission's original desire that she be re-appointed.

In light of her retirement, the Police Department has requested Lt. Matt Tye be appointed. This request was relayed to my office by the Chair of the Commission on Sensitive Crimes.

At the request of the Commission, I ask Lt. Tye be appointed in the place of his predecessor, Lt. Bradley Wilson.

Thank you.
