4. The physical development and operation of the conditional use must conform, in all respects, to the approved site plan, operational plan and, if applicable, phasing plan.
5. Noise levels from outside loudspeakers shall be limited to no more than 70 decibels measured at the property line.
6. Any outdoor lighting shall limit light pollution onto adjoining, non-participating properties.

9. Any ongoing business operation must obtain and continue to meet all legally required and applicable local, county, state and federal licensing requirements. Copies of approved licenses or other evidence of compliance will be provided to the zoning administrator upon request.
10. Suitable sanitary facilities shall be made available to customers. Existing onsite wastewater sewage disposal systems, if any, serving the conditional use must be inspected by a licensed plumber to determine its suitability for the proposed or expanded use. Deficient systems must be brought, at the owner's expense, into full compliance with the current requirements for new development of the state plumbing code and Chapter 46, Dane County Code.
11. All vehicles and equipment must access the site only at approved locations identified in the site plan and operations plan.

The holder of a conditional use permit shall be given a reasonable opportunity to correct any violations prior to revocation. If any use allowed by an approved conditional use permit is abandoned for one year or more, the associated conditional use permit shall be terminated. Future re-establishment of an abandoned conditional use shall require approval of a new conditional use permit.
