2024 RES-205 AS AMENDED BY PWT ON 11/12/24

AWARD OF CONTRACT FOR ENVIRONMENTAL SITE INVESTIGATION REMEDIATION OF THE

DARWIN TRAINING AREA AT THE DANE COUNTY REGIONAL AIRPORT

PFAS at the Darwin Training Area location at the Airport. The Airport engaged ORIN

Technologies, LLC ("ORIN") to conduct an environmental site investigation of the Darwin Training

Area to determine the extent of the presence of PFAS. Now, the Airport has engaged ORIN to

perform remediation work at this site. Under this contract, ORIN will (1) treat PFAS contamination

in both soil and groundwater, (2) monitor soil and groundwater performance and other

groundwater metrics, and (3) complete a formal report of the remediation work. The maximum

cost of this contract is \$1,500,000.00, which is the current best estimate of the project scope. The

County Clerk are authorized to execute on behalf of Dane County a contract with ORIN

Technologies, LLC to complete an environmental remediation of the Darwin Training Area at Dane

NOW, THEREFORE, BE IT RESOLVED that the Dane County Executive and the Dane

Airport will also seek funding from other sources to help pay for this contract.

County Regional Airport, as set forth above.

The Dane County Regional Airport ("Airport") led an initial investigation for the presence of
