

**ADDENDUM OF CONTRACT FOR ELECTRICIAN LABOR AT THE
ALLIANT ENERGY CENTER**

The Alliant Energy Center uses electricians to serve its various events. The electricians supply electrical connections; phone service; Internet service; sound systems; computer connections; and WiFi assistance. At larger events it is necessary for the Center to have more than the two full-time electricians on its staff. A five-year agreement, with five one-year options was awarded to H&H Electric Co., Inc, Madison, WI 53713 effective June 1, 2009.

The five one-year options contained in the original contract violate the County's five-year limitation on contracts for the purchase of goods and services, therefore they cannot be exercised. Furthermore, with the opening of the New Holland Pavilions in September the use of outside electrician services is anticipated to change and a new Request for Proposals is being developed to reflect the anticipated changes. In the meantime, H & H has agreed to a contract extension through December 31, 2014 to allow time for the new Request for Proposal process to be completed.

NOW THEREFORE BE IT RESOLVED, that the contract addendum with H&H Electric Co., Inc., 3201 Latham Drive, Madison, WI 53713 is hereby approved.

BE IT FINALLY RESOLVED, that the County Executive and County Clerk are authorized to sign the addendum.
