2023 RES-279

**AWARD OF CONTRACT FOR MAINTENANCE OF THE DANE COUNTY REGIONAL
AIRPORT SECURITY MANAGEMENT SYSTEMS**

Due to the proprietary nature of the security equipment and systems at the Dane County Regional Airport (the "Airport"), Johnson Controls, Inc. has been approved as the sole-source service provider for the security and access management systems at the Airport. As negotiated, Johnson Controls, Inc. will provide inspection, testing, maintenance, repair, updates, and warranty services, including component replacement, for the Airport's security and access management systems. The maximum cost of this five year contract is \$502,195. Additionally, the contract provides for emergency on site services to keep the Airport's security and access management systems functioning to ensure uninterrupted airline operations and the continued safety and convenience of travelers flying out of the Airport.

NOW, THEREFORE, BE IT RESOLVED that the Dane County Executive and the Dane County Clerk are authorized to execute on behalf of Dane County a contract with Johnson Controls, Inc. to maintain the security management systems at Dane County Regional Airport, as set forth above.
