Company shall deposit with the County, and continuously maintain throughout the term of this Concession Lease, a performance guarantee in the amount of one hundred ten thousand dollars (\$110,000). The performance guarantee shall be in the form of a surety bond, a cashier's or certified

check, money order, or an irrevocable letter of credit (by a bank rated "B" or better by Sheshunoff Information Service) made payable to Dane County. If the performance guarantee is in the form of a surety bond, the bond shall be issued by a surety company authorized to do business in the State of Wisconsin and rated as at least an A or A+. The performance guarantee shall secure Company's full and faithful performance and observance of all of Company's obligations under this Concession Lease. The performance guarantee shall not be considered to be held in trust by the County for the benefit of Company, and shall not be considered an advance payment of rent or a measure of the County's damages in the case of an event of default by Company. The County may draw upon and apply the performance guarantee to pay any rent not paid by the date it is due hereunder, or to remedy any other violation of this Concession Lease. The County may draw down the entire performance guarantee immediately, without notice to Company, upon receipt of a notice of non-renewal of the performance guarantee. If the County draws upon the performance guarantee or any portion thereof, Company shall, immediately upon demand, replenish the performance guarantee to its full amount. upon commencement of the bathroom renovation. Upon closure of the Wurst Bar, Company shall remove all of its property from the space occupied by the Wurst Bar concept. Notwithstanding the foregoing, upon agreement of the parties, equipment associated with the existing exhaust fan may remain in place in anticipation that it may be used in conjunction with a concession concept to be installed by Company to replace the Wurst Bar concept.

Company and the County shall engage in good faith discussions to determine, in light of the volume of passenger traffic and the projected need for concession services in the area, the size, type, specific location and cost of the food and beverage concession that is suitable for installation to replace the Wurst Bar. It is the intent of the parties to have an operating concession concept in place and operating in the general location of the former Wurst Bar concept upon completion of the foregoing bathroom renovation and expansion project. If Company and the County cannot in a timely manner jointly determine and agree upon the size, type, location and cost of the food and beverage concession concept that is to be installed under this subsection, the County may in its sole discretion make such determination and provide Company space for the build out of the replacement concession concept. If the size, type, location and cost of the replacement concession concept is determined by the County under the preceding sentence, the build out cost, not including financing costs, interest, inventory, pre-opening expenses, or intracompany charges related to construction, shall not exceed \$300,000. Up to \$150,000 of the cost of the build out of the replacement concession concept required under this subsection may be included as part of the minimum midterm refurbishment costs established under subsection 7.7 below.

Subsection 7.5 –Concession Space located adjacent to Gates 12 and 13

In the event the Airport Director determines that passenger activity in the Terminal southern concourse has reached a level appropriate for requiring the build out of a concession concept in the vicinity of gates 12 and 13, the County and Company shall engage in good faith discussions regarding an appropriate concession concept to be installed in said location. If Company and the County cannot in a timely manner jointly determine and agree upon the size, type, location and cost of the food and beverage concession concept that is to be installed under this subsection, the County may in its sole discretion make such determination and provide Company vacant space for the build out of the concession concept. Company shall thereafter proceed without delay to design, install and open the concession concept as determined by the County under this subsection.

Subsection 7.6 – Plans to Specify Floor and Drainage Remedies

The plans and specifications submitted to the County as required under this section 7 shall address (i) the issue of leakage of liquid from Company's second floor concession locations to the floor below, and (ii) the issue of frequent drain blockage in Company's second floor concession locations. The plans and specifications submitted to the County for approval shall incorporate, as appropriate, the "Possible Solutions" referenced in "Ref 2" attached to the memo entitled "Dane County Regional Airport (DCRA) Food Service Tenant Area Drain/Floor Study" prepared by Mead and Hunt, Inc. and Andi Mikelsons, PE, and dated November 11, 2013. Company acknowledges

receipt of said memo regarding drain and floor issues in the concession space on the Terminal second floor.

Subsection 7.7 – Midterm Refurbishment

In addition to the requirements of routine maintenance and refurbishment set forth in section 9 below, Company shall perform a midterm refurbishment of the concession spaces it occupies under this Lease. The type and extent of the midterm refurbishment shall be as agreed upon by Company and the County, and shall be commenced and completed during 2021, or as otherwise approved by both parties hereto. If Company and the County cannot in a timely manner jointly determine and agree upon the type and extent of the midterm refurbishment, the County may in its sole discretion make such determination and Company shall without delay complete the refurbishment in the manner determined by the County. In any event, unless otherwise approved by both parties to this Lease, Company shall not be required to expend more than \$300,000 on the midterm refurbishment, including any costs that are includable pursuant to subsection 7.4 above.

Within thirty (30) days of completion of the midterm refurbishment required under this subsection, Company shall provide the County with a statement certifying that its actual refurbishment costs, including any costs included pursuant to subsection 7.4 above, were not less than \$300,000. If said actual costs are less than \$300,000, the County shall bill Company for the difference between \$300,000 and the actual costs of the midterm refurbishment, including any costs included pursuant to subsection 7.4 herein, which amount shall be payable to the County within thirty (30) days of billing.

The calculated cost of the midterm refurbishment shall not include financing costs, interest, inventory, or intracompany charges related to the refurbishment. Professional fees related to the midterm refurbishment shall not exceed fifteen percent (15%) of the total certified cost of the refurbishment.

SECTION 8 – TITLE TO IMPROVEMENTS, DEMOLITION AND ALTERATIONS.

Subsection 8.1 - Title.

All improvements made to the Leased Premises by Company shall be and remain the property of Company until the termination of this Concession Lease, at which time said improvements, except for Personal Property, and expendables, shall become the property of the County, at no cost to the County unless otherwise expressly provided herein.

Subsection 8.2 - Alterations and Improvements to Airport.

Company acknowledges that from time to time the County may undertake construction, repair, or other activities related to the operation of the Airport that may temporarily affect Company's operations hereunder. Company agrees to accommodate the County in such matters, even though Company's own activities may be inconvenienced, and Company agrees that no liability shall attach to the County, its officers, employees, or agents by reason of such inconvenience or impairment. It is agreed that in the event such activities of the County substantially impair the operations of Company under this Concession Lease, the MAG shall be waived during such period of substantial impairment. The determination that an activity constitutes "substantial

impairment” shall be made at the sole discretion of the County after consultation with Company.

Subsection 8.3 - Removal and Demolition.

Company shall not remove or demolish, in whole or in part, any Leasehold Improvements without the prior written consent of the County, which consent may be conditioned upon the obligation of Company, at Company’s cost, to replace the same with an improvement specified in such consent.

Subsection 8.4 - Liens.

Company shall not permit the Leased Premises to become subject to any lien, including, but not limited to, mechanic's, laborer's, or materialman's liens, on account of labor or material furnished to Company or claimed to have been furnished to Company in connection with work of any character performed or claimed to have been performed in connection with this Lease. In the event such a lien is filed or recorded, Company shall within ten (10) days of such filing or recording cause the lien to be dismissed, released or satisfied. In the event of Company’s failure to clear the record of any such lien within such time period, the County may remove said lien by paying the full amount thereof or by bonding or in any other manner the County deems appropriate, without investigating the validity thereof, and notwithstanding the fact that Company may contest the propriety or the amount thereof, and Company, upon demand, shall pay the County the amount so paid by the County in connection with the discharge of said lien, together with interest thereon at the rate of one and one-half percent per month and reasonable expenses incurred in connection therewith, including reasonable attorneys’ fees, which amounts are due and payable to the County on the first day of the next

following month.

b. Preventive and Routine Maintenance Programs. Company shall establish a preventive and routine maintenance program, the provisions of which shall be subject to the approval of and periodic review by the Airport Director.

c. County Sole Judge of Maintenance. The County shall be the sole judge of the quality of maintenance. The Airport Director or the Director's designee may, during Company's working hours and without notice, enter upon the Leased Premises to determine if maintenance satisfactory to the County is being performed. If it is determined that such maintenance is not satisfactory, the County shall so notify Company in writing. If such maintenance is not performed to County standards by Company within seven (7) days after receipt of written notice, the County or its agents thereafter shall have the right to enter upon the Leased Premises and perform the maintenance thereof and Company agrees to promptly reimburse the County for the cost thereof, plus fifteen percent (15%) for administrative overhead.

d. Routine Refurbishment. On or about the commencement of each calendar year, representatives of the County and Company shall tour the Leased Premises and jointly agree upon what, if any, routine refurbishment is required to maintain the Leased Premises in first-class condition, and Company shall promptly undertake such refurbishment at its sole cost and expense. If Company and the County cannot jointly agree upon the type and extent of refurbishment, the County may in its sole discretion determine the refurbishment required. For purposes of this paragraph, "refurbishment" shall mean the routine repainting or redecoration of concession space within the Leased

Premises, including the replacement or repair of worn carpet, tile, furnishings, fixtures, finishes, or equipment.

e. Hazardous Conditions. Upon discovery, Company shall immediately give oral notice to the County of any hazardous or potentially hazardous conditions in the Leased Premises or in the Terminal. Any hazardous or potentially hazardous condition in the Leased Premises shall be corrected immediately by Company. At the direction of the Airport Director, Company shall close the Leased Premises until such hazardous or potentially hazardous condition is removed.

f. Maintenance Personnel and Program. Company agrees to employ sufficient personnel, and provide the necessary equipment, to keep the Leased Premises and all furnishings, fixtures, and equipment clean, neat, safe, sanitary, and in good working order and condition at all times.

g. Health and Sanitary Regulations. Company shall comply with all applicable health and sanitation laws and regulations. Company shall give access for inspection purposes to government representatives for the purpose of enforcement of health and sanitation laws and regulations. Company shall provide the County with copies of all inspection reports, within 48 hours of receipt.

i. Transporting Trash and Refuse. When transporting trash and refuse from the Leased Premises Company shall use only carts, vehicles, or conveyances that are

covered, leak proof, and equipped with wheels suitable for operating on carpets and tile without damage thereto. Such transport shall take place during hours as may be approved by the County. Trash or debris shall not be allowed to accumulate or be stored on the Airport Premises and shall not be deposited in the County's trash containers without the County's prior written consent.

j. Damage Caused To County Property. Damage caused to Airport or County property or operations or the property of any Airport tenant, person, or entity caused by the negligent acts or omissions of Company shall be the responsibility of Company and Company shall reimburse the County for any such damage paid for by the County within thirty (30) days of billing by the County. Any sums so paid by the County shall bear interest at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is more, from the date paid by the County until the County has been fully repaid. If the same type of damage is caused by Company more than once, such as a water leak or electrical service interruption, the County shall review and approve Company's plan of repair or may require that Company allow the County to make the repair and then reimburse the County for the cost of such repair.

so notified, open either the post security Ancora Coffee Roasters and Café (or its successor concept) or the Great Dane Brew Pub (or its successor concept), which shall remain open for business until such passengers have departed from the Terminal.

Subsection 10.4 - Utilities.

a. The County shall provide the Leased Premises with heat and air-conditioning to keep the Leased Premises at reasonable temperatures for the conduct of Company's activities. Temperatures in the Leased Premises shall be comparable to temperatures within the Terminal.

In the event Company needs additions, improvements or upgrades to systems provided by the County, the costs therefor shall be borne by Company.

rates. This section shall not relieve Company of the requirement to install meters where not impractical.

Upon written notice to Company by the Airport Director that any item offered for sale at the Airport by Company does not meet the standards set forth herein, Company shall correct the condition objected to within three (3) days after receipt of such notice.

Subsection 11.3 - Pricing.

Company shall comply with the following Street Pricing Plus Policy adopted by the County for the food service concessions at DCRA:

The prices of all food and beverage products sold at the Airport may exceed the prices charged in comparable restaurants within the Madison Metropolitan Area for like size and quality products by no more than five percent (5%), unless otherwise approved by the Airport Director.

Within thirty days of the effective date of this Lease, Company shall designate three (3) restaurants in the Madison Metropolitan Area that sell the items Company will offer for sale at the Airport and are comparable in concept, size, and quality to the concessions at the Airport. The comparable restaurants, designated by the Company and approved in writing by the County, must be valid comparables to be used as the basis for price comparisons during the term of this Lease to determine compliance with the pricing policy set forth above.

During the term of this Concession Lease, Company shall at least semi-annually provide documentation to the County comparing the prices it charges at DCRA with the prices charged by the designated comparable outlets to establish Company's compliance with the Street Pricing Plus Policy. This price comparison shall be provided for each location at the Airport. The items used in the foregoing price comparisons shall be the five menu items sold by Company having the highest dollar sales volume and another five menu items selected as having the highest number of units sold.

Additionally, no more than twice per year, the County may require Company to perform a price comparison of up to twenty items selected by the County. Therefore, Company covenants and agrees that, in the exercise of its privilege to install and maintain appropriate signs on the Leased Premises, it will submit to the County the size, design, content, and intended location of each and every sign it proposes to install on or within the Leased Premises, and that no signs of any type shall be installed on or within the Leased Premises without the specific prior written approval of the County as to the size, design, content, and location. Handwritten, or hand lettered signs are prohibited unless approved by the Airport Director. Notwithstanding any prior written approval, Company shall install, remove, or modify any signs as directed in writing by the Airport Director. The County's failure to require removal of any sign placed on or about the Leased Premises without written permission shall not be deemed a waiver of the Airport Director's authority to require removal of any sign.

Subsection 12.3 - Signs and Fixtures Outside Leased Premises.

Company shall not place or install any racks, stands, trade fixtures, pedestal signs, or other displays of products outside the boundaries of the Leased Premises without the express prior written approval of the Airport Director.

For the purposes of this section, the term “Company” shall include Company and Company’s subtenants and licensees, if any, and Company’s members, partners, officers, directors, agents, employees, invitees, suppliers or contractors. Thereafter, Company must provide the County with notice of the expiration, termination or nonrenewal of any required policy at least ten (10) days prior to the date the policy will no longer be in effect. Unless expressly stated herein, insurance required under this Lease must be maintained without any lapse in coverage for at least six (6) months after expiration or termination of this Lease and any such lapse of coverage shall be deemed ground for immediate termination of this Lease by the County. Company shall also provide the County, provided that such new coverage is commercially available at a reasonable cost, with

proof of such compliance by giving the County an updated certificate of insurance within fifteen (15) days.

- g. The breach by Company of any provision herein and the failure of the County to remedy such breach as hereinafter provided. In the event of such breach, the County shall give to Company notice in writing to correct such breach and if such breach shall continue for fifteen (15) days after the receipt of such notice by Company, the County may, after the lapse of said fifteen (15) day period cancel this Concession Lease without liability whatsoever to Company, or

forfeiture, waiver, or release of the County's rights to any remedy under law or this Concession Lease; or

h. The lawful assumption by the United States or the State of Wisconsin, or any authorized agency thereof, of the operation, control or use of the Airport and facilities, or any substantial part or parts thereof, in such manner as to substantially restrict Company from its operations hereunder for a period of at least thirty (30) days.

Subsection 14.3 – Termination by the County for Airport Operation Needs.

Should the County determine a need for Terminal renovations affecting concession operations performed under this Lease, or a need for substantial changes in concession location, management or configuration, the County may, in its sole discretion, terminate this Concession Lease upon six month's advance written notice to Company.

Subsection 14.4 - Termination and Reletting.

Should there occur an early termination of this Agreement pursuant to the terms hereof, the County shall have the right to enter upon the Leased Premises, make repairs as necessary, and enter into another agreement involving the Leased Premises and privileges granted under this Lease.

SECTION 15 - RIGHTS UPON TERMINATION OR CANCELLATION

Subsection 15.1 – Rights Upon Termination Under Subsection 14.2.

Upon termination of this Concession Lease as set forth in subsection 14.2 above, Company shall, at the option of the County, either accept the County's payment of the value of Leasehold Improvements as determined hereunder and give clear title

thereto to the County, or remove the Leasehold Improvements.

- a. Depreciation of Leasehold Improvements. With respect to Leasehold Improvements paid for by Company from its own funds, the value thereof shall be deemed to be Net Book Value, determined on a straight-line basis from the date the leasehold improvement is put into use, with all Leasehold Improvements deemed to have a value of zero at the end of the term of this Lease. Upon payment by the County to Company of said depreciated value, the Leasehold Improvements shall become the sole property of the County.
- b. Removal of Leasehold Improvements. If the County requires Company to remove Leasehold Improvements in lieu of accepting payment hereunder, Company shall reimburse the County for the cost of any repairs required as a result of removal of such improvements. If Company is required to remove Leasehold Improvements under this subsection the removal shall be accomplished within ten (10) calendar days of termination of this Lease.

Subsection 15.2 – Rights Upon Termination Under Subsections 14.1 or 14.3.

In the event this Concession Lease is terminated by Company or the County for any of the reasons outlined in subsections 14.1 or 14.3, the exclusive remedy available to Company shall be to recover the value of Leasehold Improvements as determined hereunder or to remove the Leasehold Improvements.

- a. Depreciation of Leasehold Improvements. With respect to Leasehold Improvements paid for by Company from its own funds, the value thereof shall be deemed to be Net Book Value, determined on a straight-line from the date the leasehold improvement is put into use, with all Leasehold Improvements deemed to have a value of zero at the end of the Lease term. Upon payment by the County to Company of said depreciated value, the Leasehold Improvements shall become the sole property of the County.
- b. Removal of Leasehold Improvements. Company may, at its option, remove Leasehold Improvements in lieu of accepting payment hereunder, in which event Company shall reimburse the County for the cost of any repairs required as a result of removal of such improvements.

SECTION 16 - NONWAIVER OF RIGHTS.

Continued performance under this Lease by either party after any default by the other party shall not be deemed a waiver of any remedy under law or hereunder for any continued or subsequent default.

SECTION 17 - SURRENDER OF POSSESSION

Company shall, upon termination of this Concession Lease, quit and deliver up the Leased Premises and privileges to the County peaceably and quietly, with the Leased Premises being in as good order and condition as the same now are or may be hereafter improved by Company or the County, reasonable use and wear thereof excepted. In addition to any lien provided by Wisconsin law, the County shall have a

specific lien on all property of Company on Airport property or the Leased Premises as security for nonpayment of amounts due hereunder. Subject to any such lien, Company shall have the right to remove all of its Trade Fixtures and equipment installed or placed by it at its own expense, in, on or about the Leased Premises.

SECTION 18 – ASSIGNMENT, SUBLETTING, AND SURRENDER

Except as otherwise provided herein, Company shall not at any time sublet any part of the Leased Premises or assign or convey this Concession Lease, or any part thereof, without the prior written consent of the County, which consent shall not be unreasonably withheld or delayed.

SECTION 19 - TAXES AND LICENSES.

Company shall pay all taxes of whatever character, including ad valorem and intangible taxes, that may be levied or charged upon the Leased Premises, Leasehold Improvements, or operations hereunder and upon Company's rights to use the Leased Premises. Company shall pay any and all taxes, including sales taxes, associated with its occupancy or use of the Leased Premises whether such taxes are assessed against Company or the County. Company shall obtain and pay for all licenses or permits necessary or required by law for the construction of improvements required or allowed hereunder and the installation of equipment and furnishings, and any other licenses, permits or the like necessary for the conduct of its operations hereunder.

SECTION 20 - INSPECTION OF LEASED PREMISES.

The Airport Director or his or her duly authorized representatives or agents may enter upon said Leased Premises at any and all reasonable times during the term of this Concession Lease for the purpose of ascertaining compliance with the terms and

conditions hereof, or for any purpose incidental to rights of the County under law or this Lease.

SECTION 21 - HOLDING OVER.

Company may continue to operate from the Leased Premises after this Concession Lease has been terminated or has expired only with the express written approval of the Airport Director. In the event such approval is granted, the conditions thereof shall be as set forth in the approval document.

SECTION 22 - QUIET ENJOYMENT.

The County agrees that Company, upon payment of the fees and charges and any other payments to be paid by Company under the terms of this Concession Lease, and upon observing and keeping the agreements and covenants contained in this Concession Lease, shall lawfully and quietly hold, occupy, and enjoy the Leased Premises during the term hereof.

SECTION 23 – NONDISCRIMINATION.

In its use of the Leased Premises and performance of concession operations under this Lease, Company shall not in any manner discriminate against any person on the basis of age, race, ethnicity, religion, color, gender, disability, marital status, sexual orientation, national origin, cultural differences, ancestry, physical appearance, arrest or conviction record, political beliefs, military participation, or membership in the national guard, state defense force or any other reserve component of the military forces of the United States. Company shall use the Leased Premises in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21,

Nondiscrimination in federally-assisted programs of the Department of Transportation Effectuation of Title VI of the Civil Rights Act of 1964, as said Regulations may be amended, and with all applicable federal, state and local laws and regulations addressing accessibility for the physically disabled, including the Americans with Disabilities Act.

SECTION 24 – SANCTIONS FOR CERTAIN LEASE VIOLATIONS.

In the event that Company fails to adhere to the terms, conditions and operating requirements set forth in this Concession Lease it is reasonably anticipated to result in significant inconvenience to the public, adversely affect the overall business of the Airport, and reduce the amount of rent to be paid to the County. Additionally, County resources will be expended in dealing with violations of this Concession Lease by Company. The parties agree that total damages sustained by the County for breach of the provisions of this Concession Lease addressing the subject matter listed below could be significant, but would be difficult to determine and accurately ascertain. Therefore, the parties hereto agree that the sanction amounts set forth below for violation of Concession Lease terms addressing the referenced subject matters are reasonable estimates of the loss anticipated to be suffered or incurred by the County. Company, therefore, hereby agrees that imposition of the sanctions set forth below is fair and reasonable and Company agrees to pay immediately upon demand by the County the following sanction amounts upon the occurrence of breaches related to the following subject matter:

Operating Hours	\$100 first occurrence (\$500 if breach occurs on holiday) \$250 second occurrence (\$500 if breach occurs on holiday) \$500 third occurrence (Same if breach occurs on holiday) \$1,000 per occurrence thereafter (\$1,500 if breach occurs on holiday)
Service Standards; Employee Standards	\$50 per occurrence
Pricing and Quality	\$250 first occurrence \$500 per occurrence thereafter
Signs	\$50 first occurrence \$100 per occurrence thereafter
Sanitation, Hygiene, Cleanliness, Waste Disposal and Recycling	\$100 per occurrence, for up to three (3) occurrences. \$1,000 per occurrence thereafter or a fee for any remedial sanitation work that must be performed by the County billed at a rate determined by the County at its sole discretion, notwithstanding the market rate.
Deliveries and Vendor Access	\$ 100 per occurrence

Except for lease violations regarding the minimum hours of operation, the foregoing sanctions shall not be imposed unless the lease violation continues for more than three (3) calendar days after the County has given Company written notice of the violation; provided, however, after the County has given Company notice of the same violation two (2) times during any given Lease Year, the sanction amount shall be immediately imposed with no opportunity to cure. Additionally, after three (3) lease violations of the same type in the same Lease Year, the County reserves the right, at its sole option, not to impose the sanction and instead seek any other remedies available to it for an event of Material Default, including termination of this Concession Lease.

SECTION 27 - PUBLIC PROTECTION

The County shall provide, or cause to be provided, during the term of this Concession Lease, all proper and appropriate public fire and police protection similar to that afforded to other Terminal tenants or licensees at the Airport, and it will issue and enforce rules and regulations with respect thereto on all Airport property. Company shall familiarize itself and its employees with the Airport Security Plan and at all time comply therewith. Company shall have the right, but not the obligation, to provide such additional or supplemental public protection as it may desire, but such right, whether or not exercised by Company, shall not in any way be construed to limit or reduce the obligations of the County hereunder.

SECTION 28 - AGREEMENTS WITH THE UNITED STATES

This Concession Lease is subject and subordinate to the terms, reservations, restrictions, and conditions of any existing or future agreements between the County and the United States the execution of which has been or may be required as a condition precedent to the transfer of rights, funds or property to the County for Airport

purposes, or for the expenditure of federal funds for the extension, expansion, or development of the Dane County Regional Airport. Should the effect of such agreement with the United States government be to take any of the property under lease or substantially destroy the commercial value of such improvements, the County shall terminate this Concession Lease. Company's remedy for termination of the Lease under this section shall be limited to the remedy set forth in subsection 15.2 herein.

SECTION 29 - RIGHTS AND PRIVILEGES OF THE COUNTY.

a. The Airport Director shall have the right to adopt, formulate and enforce reasonable rules, regulations and directives, which Company agrees to observe and obey, with respect to the use of the Airport, and the Airport Terminal.

b. The County's Airport Director is hereby designated as the County's official representative for the enforcement of all provisions in this Concession Lease with full power to represent the County with dealings with Company in connection with the rights herein granted, including policy determination, modification of this Concession Lease, termination of this Concession Lease, and any similar matters affecting the terms of this Concession Lease.

d. The Airport Director or his or her designated representative may enter upon the Leased Premises at any reasonable time for any purpose incidental to, or connected with, performance hereunder, or in the exercise of the County's governmental functions.

e. The County reserves the right to further develop or improve the landing and public areas, including Terminal and ramp space, of the Airport as it sees fit, regardless of the desires or views of Company, and without interference or hindrance.

f. During the time of war or National Emergency, the County shall have the right to lease the landing area of the Airport, or any part of the Airport, to the United States Government for military or national use, and if any such lease is executed, the provisions of this instrument insofar as they are inconsistent with the provision of the lease to the Government, shall be suspended.

g. The County hereby reserves for the use and benefit of the public, the right of aircraft to fly in the airspace overlying the Leased Premises, together with the right of said aircraft to cause such noise as may be inherent in the operation of aircraft landing at, taking off from, or operating on or in the vicinity of the Airport, and the right to pursue all operations of the Airport.

h. The County reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, together with the right to prevent Company from erecting, or permitting to be erected, any building or other structure on the Airport, which, in the opinion of the County, would limit the usefulness of the Airport, or constitute a hazard to aircraft.

i. The County may from time to time increase or decrease the size or capacity of the Airport or portions thereof, make alterations thereto, reconstruct, relocate or modify the design and type of construction thereof, or close them or any portions of them, either temporarily or permanently, provided only that reasonable notice is given to Company. In the event that such change to the Airport or portions thereof results in a fifteen percent (15%) or more decrease in monthly net revenues for the three (3) months following said change, relative to the same three (3) month period during the

preceding year, Company shall have the right to a pro rata reduction in the applicable MAG.

j. This Concession Lease may be reopened for renegotiation in good faith if FAA Airport Certification or Security Requirements, including FAR Parts 139 and 107, result in the need for major expenditures by the County due to Company's tenancy on the DCRA. If said renegotiation is desired, the County must provide written notice to Company sixty (60) days prior to the date of such renegotiations.

k. The County reserves the right to relocate the Leased Premises to similar spaces should that be necessary for Terminal remodeling or expansion. In the event of relocation under this subsection, the County shall pay for costs incurred in improving the replacement premises to the same quality, as determined by the County, as the Leased Premises it replaces. In the event that the relocation of the Leased Premises hereunder results in a fifteen percent (15%) or more decrease in monthly net revenues for the three (3) months following the opening of business in the replacement premises, relative to revenues generated from the replaced premises during the same three (3) month period of the preceding year, Company shall have the right to a pro rata reduction in the applicable MAG. Additionally, the MAG shall be reduced pro rata, based on the replaced premises share of Company's gross receipts, during any period the replaced premises is closed prior to the opening for business of the replacement premises. The County shall not be liable for expenses incurred by Company in moving to and opening the replacement premises for business.

SECTION 30 – GENERAL PROVISIONS.

Subsection 30.1 – Amendment.

Any amendment, modification, or alteration of this Concession Lease shall be effective only if mutually agreed upon, reduced to writing, and signed by the appropriate representatives or officers of both parties.

Subsection 30.2 – Sales and Dignified Use.

No public or private auction, “fire,” “going out of business,” bankruptcy or similar types of sales shall be conducted in or from the Leased Premises. The Leased Premises shall be used in a dignified and ethical manner consistent with the high standards of food and beverage operations in major Airports throughout the United States.

Subsection 30.3 – Security and Responsibility for Fines and Forfeitures.

Company shall comply with Federal Aviation Regulation Part 1542 (Airport Security) and DCRA security policies as presently outlined in its Airport Security Plan, as such Plan may be amended from time to time. Company shall pay any forfeitures or fines levied upon it, the County or the DCRA through enforcement of Federal Aviation Regulation Part 1542 or Part 139, or any other applicable federal, state or local regulation, due to the acts or omissions of Company, its employees, agents, suppliers, invitees or guests and for any reasonable attorney fees or related costs paid by the County as a result of any such violation.

Pursuant to applicable federal regulations Company shall conduct an annual self-audit of Airport access media, such as keys and access cards, used by Company, its employees, agents, suppliers, invitees, sublessees or guests. Company shall provide

the County with a written report of said audits and shall replace, reset or re-key, as appropriate, all affected Airport area access locks or devices whenever missing, lost, or stolen access media exceed five (5) percent of the access media issued for the affected lock or device.

Subsection 30.4 – County Consent or Action.

In the event this Concession Lease is silent as to the standard for any consent, approval, determination, or similar discretionary action, the standard shall be at the reasonable discretion of the County. Wherever this Concession Lease requires the County's consent or approval or permits the County to act, such consent, approval or action may be given or performed by the Airport Director or the Dane County Airport Commission. In the event the County has expressly agreed, in writing, not to act unreasonably in withholding its consent or may not unreasonably withhold its consent as a matter of law and the County has, in fact, acted unreasonably in either of those instances, Company's sole remedy shall be an action for specific performance or injunction.

Subsection 30.5 – Interpretation of Concession Lease.

This Concession Lease is the result of arms length negotiations between the County and Company and shall not be construed against the County by reason of its preparation of this Concession Lease.

Subsection 30.6 – Entire Agreement.

It is understood and agreed that this Concession Lease (including all Exhibits) contains the entire agreement between the County and Company as to matters associated with this Lease. It is further understood and agreed by Company that the

County and the County's agents and employees have made no representations or promises with respect to this Concession Lease or the making or entry into this Concession Lease, except as is expressly set forth herein, and that no claim or liability or cause for termination shall be asserted by Company against the County for, and the County shall not be liable by reason of, the breach of any representations or promises not expressly stated in this Concession Lease. Any other written or oral agreement with the County pre-dating this Lease is expressly waived by Company.

Subsection 30.7 – Capacity to Execute.

The County and Company each warrant and represent to each other that this Concession Lease constitutes their legal, valid and binding obligation. The individuals executing this Concession Lease personally warrant that they have full authority to execute this Concession Lease on behalf of the entity for whom they purport to be acting.

SECTION 31 - TERMS BINDING UPON SUCCESSORS

All the terms, conditions, and covenants of this Concession Lease shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto. The provisions of this section shall not be deemed as a waiver of any of the conditions against assignment herein before set forth.

SECTION 32 - TIME OF ESSENCE

Time is expressed to be of the essence of this Concession Lease.

SECTION 33 - AGREEMENT MADE IN WISCONSIN

This Concession Lease has been made in and shall be construed in accordance with the laws of the State of Wisconsin, with venue of any judicial proceedings arising hereunder in Dane County Circuit Court. All duties, obligations, and liabilities of the County and Company with respect to the Leased Premises are expressly set forth herein and this Concession Lease can be amended only in writing executed by both parties.

SECTION 34 - HEADINGS

The headings contained herein, including the Table of Contents, are for convenience in reference and are not intended to define or limit the scope of any provisions of this Concession Lease.

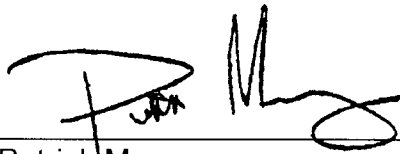

SECTION 35 - CONTRACT DOCUMENTS

The Request for Proposals published in connection herewith and the Company's Proposal shall all form a part of the Concession Lease for interpretive purposes only. In the event of a conflict between the terms and conditions of this Concession Lease and any of said documents, the terms and conditions of this Concession Lease shall take precedence.
