Hi Brian,

I just wanted to follow up on a couple of updates that I made on my map (Sam Fischer). I updated a couple of districts on the eastern part of the county in order to fix some split municipalities, namely splitting the Village of Cottage Grove and Marshall. My new map is much better, in my opinion, in much of the eastern suburban part of the county. Additionally, as a resident of Windsor, I would suggest trying to split DeForest/Windsor at Highway 51, as much of Windsor east of 51 is farmland, whereas the municipal lines west of 51 are unnoticeable, DeForest & Windsor blend together.
Thank you, Sam
