The 2017 Capital Budget includes a number of highway construction projects. expenditures that are financed with borrowed funds. Dane County Ordinance Ch. 29.52(11) requires approval of the County Board and the County Executive before expenditures can be made for capital projects in advance of the annual borrowing. The County will not do its annual borrowing until the Fall of 2017, yet the projects are scheduled for construction in the summer of 2017.

Therefore be it resolved that expenditures for the following highway construction projects are approved to proceed in advance of borrowing.
