

Waste and Renewables

- **Recycling:** Support long-term state funding for state’s recycling program. Support continued state efforts to expand markets for recycled materials. Support allowing local governments or other entities to receive more than one state grant for innovative demonstration projects.
- **Landfill Siting:** Allow municipalities to replace existing public landfills without a new DNR needs determination. ~~Support modifying landfill negotiation mediation process to include counties as an appropriate governing body for the approval of negotiated agreements. Support prohibiting the construction of landfills until the negotiation mediation process is complete. [These are already required under State Statute]~~
- **Clean Sweep:** Support increased state/federal funding for household and Ag Clean Sweep.
- **Landfill/Solid Waste Fees and Program Reductions:** Oppose state increases to the landfill recycling tipping fee and environmental repair fee. Oppose the elimination or reduction of recycling and solid waste programs.

- **Owner Financial Responsibility:**

Allow municipally owned landfills to use the net worth method of establishing financial responsibility. Currently, under Wis Stat 289.41(4), only private companies may use this method.
