Karin Peterson-Thurlow gave an update on the amendments to Chapter 7.
- *The default for the hybrid meeting format is that members of a body would be physically present at the meeting unless given prior permission by committee chair to attend virtually.*
- *Changes reflect a desire to have hybrid meetings in order to continue providing the increased public access afforded by having a virtual format, as well as an in-person meeting format.*
- *A pilot of the new protocols will likely happen in late January or early February in order to have the bugs worked out by the next board seating in April 2022.*
- *Training for staff on protocols and technology will need to occur before it is rolled out.*

A motion was made by ERICKSON, seconded by DeGARMO, that the Ordinance Amendment be recommended for approval. The motion carried by a voice vote.

Supervisor Gray spoke in support of the resolution, as did Supervisor Chawla.
