Hello,

The Village of Cross Plains has reviewed the supervisory district maps and have the following comments:

1. The Village of Cross Plains opposes “Jo’s Map 2 by Josephine Oyama-Miller” because it splits the Village into 2 Districts. It is the only proposed map that does this.
2. “Supervisory Districts – Wards by Dan”, “Supervisory Districts – Wards by Thomas Wilson”, one of the “Supervisory Districts – Wards by Sam Kaufman”, and “Supervisory Districts – Wards – Map 2 – Equal Population Emphasis by Dan” all have district borders that abut the municipal boundaries of the Village of Cross Plains. These 4 maps are less suitable than the other options because the Village has been growing and annexing in land from both the Town of Berry and the Town of Cross Plains. We have been in discussions with land owners and developers regarding annexing properties into the Village and it would be appropriate for the potential annexed lands to be within the same district as the rest of the Village.

Thank-you for considering our comments regarding the Supervisory District Maps. Please let me know if there are any questions or further information is needed.
