Dear Roger:

The Town of Middleton has been made aware that a late addition, Laufenberg/Hubbard rezone, has been included with the Town's "blanket rezone" application. At this time it is unknown to the Town of Middleton if the Laufenberg/Hubbard CSM was approved by the City of Middleton with or without any changes to the original CSM. Therefore, on behalf of the Town of Middleton I am requesting that the ZLR Committee only take action on the proposed "blanket rezone" submitted by the Town of Middleton, excluding the Laufenberg/Hubbard CSM, at their August 27, 2019 meeting. The Town would like the opportunity to have the Town Plan Commission review the Laufenberg/Hubbard CSM and rezone. Please contact our office with any questions.

Regards,

*Barb*
