RE: Non-Monetary Donation

With the permission of Dane County Personnel & Finance Committee, we would like to accept a non-monetary donation of a one year subscription to GrayKey software.

Operation Underground Railroad (O.U.R.) is a non-profit organization that exists to protect children from sex trafficking and sexual exploitation. They accomplish their mission through collaboration with Law enforcement agencies in the U.S and abroad.

O.U.R. has graciously offered to donate a one year subscription to GrayKey which has a value of \$25,270.50. O.U.R. will be purchasing the GrayKey license directly from Grayshift, LLC. GrayKey is a forensic access tool used to quickly extract critical data from mobile devices. This tool will assist the Sheriff's Office with ICAC and Sex Trafficking investigations. The County/Sheriff's Office is under no obligation to renew the license, however renewal costs would be the responsibility of the Dane County.

Thank you for your consideration.
