One call on September 11 at 10pm. Four people were in the hot tub talking a tad loud. Contact was made with the four, they were celebrating one of them finishing the Ironman. Apologized for being loud and they quieted down right away. According to the deputy who went they were very respectful.

Mike:

I tried your phone but you didn't answer. I need to know if in 2023 to the present has the Sheriff's Department been called in regarding the property at 6993 Applewood Drive? They have a CUP for a short-term rental.

Thank you,

*Barb*
