RE:      Claimant:                      Jason Lee  
            Our Claim No.:                  ALDA00000088  
            Our Insured:                      Dane County  
            Date of Loss:                      2/17/2019

Dear Mr. Lowndes,

We have received the above referenced claim on 03/04/2019. Following a review of the information regarding allegations that our plow threw snow over bridge, it has been determined that Dane County has no liability for this claim. We did have a plow in the area at the time of loss. However, GPS records show our plow was engaged in plow operations. Plow was also traveling well below the speed limits. Immunity applies for how we choose to plow. Please issue formal disallowance and provide a copy of this disallowance to WMMIC.

This claim will be closed on the date of receipt of the disallowance.

A copy of this letter has been placed in the claim file for reference. If you should have any further questions, please contact me.

Sincerely,

Jackie Kaul
