Hello Dane County Board,

I'm writing in support of several proposed County Budget amendments that are being considered by the Public Protection & Judiciary Committee and the Health & Human Needs Committee in their meetings today. I would like my written comments of support here shared with the committees' members and read into the record, but I cannot attend the meetings and as such, do not wish to speak at these meetings.

### Public Protection & Judiciary Committee:

I request your support of and vote in favor of the following budget amendment items because I believe they are in the best interests of the people of Dane County and a good model for our neighbors throughout the State in regards to protecting human rights and dignity, as well as being fiscally responsible and fair from a budgetary perspective.

Please support/vote for amendments:

PPJ O-6

PPJ O-7

PPJ O-8

### Health & Human Needs Committee:

I request your support of and vote in favor of the following budget amendment items because I believe they are in the best interests of the people of Dane County and a good model for our neighbors throughout the State in regards to addressing public health, providing physical shelter and promoting human dignity, as well as being fiscally responsible and fair from a budgetary perspective.

Please support/vote for amendments:

HHN C-3

HHN C-5

HHN O-1

HHN O-2

HHN O-4

HHN O-5

Thank you for these considerations and your vote in favor of them. I also encourage you to make sure we have the institutional support and dedicated personnel to accomplish the deliverables intended from these amendments. My wife and I will gladly pay the associated County property taxes associated with these initiatives.

Best regards,
