RE: Claim for damage caused by county mowing crew

I was instructed to send a letter to the Dane County Clerk in order to file a claim for damages caused to my car by a county mowing crew. Below is the relevant information pertaining to what happened.

I was driving along CTH TT the morning of August 11 when my car was struck by debris from a county mowing operation. When I got to my destination I inspected my car and found several fresh “dings” on the passenger side of my car that were caused by the debris that was shot from the county mower. Later that afternoon I had my boyfriend call Dane County and he talked to Josh Berg. Mr. Berg later confirmed that the county had a mowing crew along CTH TT that morning and he provided us with instructions to file a claim. He told us to send the required information to the County Clerk, which is what this letter is intended to do.

Date of incident: Aug. 11 in the morning

Location: On CTH TT between CTH N and IH94

What happened: Car damaged by debris from county mowing operation

Cost to repair damage: \$926.30 (see attached estimate from Gates Collision Center – East
